Notes for all members

The ethos of our club is that no-one is left behind on club runs. When running as one group we encourage faster runners to loop back or wait for slower runners to rejoin the group.

The group leader is a volunteer who will have arranged a route and will set a pace and distance for that evening and requires your support to ensure the safety of the group. Be aware of traffic and the hazards of off road trails particularly during dark evenings

During darker evenings we request that all members wear fluorescent/high visibility clothing and a head torch.
